Dear Mr. Raju,

Thank You for your review of this manuscript.

We are collaborating with Publons to give you the recognition you deserve for your peer review contributions. If you haven't already added a record of this review to your Publons profile, simply forward this thank you email to review@em.webofscience.com to ensure your hard work doesn't go unnoticed. Publons helps you effortlessly track, verify and showcase your review work and expertise without compromising anonymity.

You can access your review comments and the decision letter (when available) by logging onto the Editorial Manager site at:

https://www.editorialmanager.com/bme/
username: taslimuddinraju7864@gmail.com
password: click here to reset your password

To show our gratitude for your time and effort in reviewing the article, we are pleased to offer you a small token of appreciation.

Please activate the token to access all our journal content using this link:
