Ref: "Cuff-less Arterial Blood Pressure Waveform Synthesis from Single-site PPG using Transformer &amp; Frequency-domain Learning"

Dear Dr S. M. Taslim Uddin Raju,

Thank you for submitting your report to Scientific Reports. We greatly value the time and effort you put into reviewing the manuscript.

We've attached a copy of the report for your reference. You can also use this email to verify your review activity with third party websites, such as Publons.

You can keep track of your reviewer work on the new [Reviewer dashboard](#) associated with your Springer Nature account, and [download your certificates](#).**Please note** that in order to download your certificate from the dashboard, the email address with which you submitted your review must be the same as your login / registered email to your Springer Nature account. You can update your email to an existing account, or register a new account if you don't already have one, using this link: <https://my-profile.springernature.com>If you have opted to have your name included in our [monthly list of reviewers](#) on the Scientific Reports website, we will add it in the first week of January.

We'll email you the decision on the manuscript as soon as it is made. Meanwhile, we hope that we can continue to benefit from your expertise in the future.

Kind regards,

Peer Review Advisors
