Dear Dr. Uddin Raju:

Thank you for reviewing manuscript # THC-24-0662 entitled "Predicting Hypertension Using PPG Sensor Data and Demographic Factors: A Machine Learning Approach" for Technology and Health Care.

In recognition of your continued support, Technology and Health Care and our publisher Sage are pleased to offer you 60 days complimentary online access to all journals published by Sage. Register at <http://journals.sagepub.com/page/help/reviewer-access> to activate access to content from 1999-current for all Sage titles including new issues published during the period. To also benefit from a 25% discount on all Sage books ordered online, go to the Sage website (<http://www.sagepublications.com/>) and add the Sage books that you would like to purchase to your shopping cart. When checking out, enter the Promotion Code GL10JR0001 when prompted. This will automatically deduct 25% from your final bill.

On behalf of the Editors of Technology and Health Care, we appreciate the voluntary contribution that each reviewer gives to the Journal. We thank you for your participation in the online review process and hope that we may call upon you again to review future manuscripts.

Sincerely,  
Technology and Health Care
